Danish Living – Design in Transition

Sammen med Bonhams' globale netværk af auktionshuse byder vi velkommen til en særlig auktion med titlen "Danish Living – Design in Transition". Her præsenterer vi et enestående udvalg af dansk design og kunsthåndværk af både frontløbere og mindre kendte navne som fx Børge Mogensen, Hans J. Wegner, Nanna Ditzel, Poul Kjærholm, Gertrud Vasegaard, Vibeke Klint, Anna Thommesen og Gunnar Aagaard Andersen. Auktionen tager afsæt i en stærk designtradition og en særlig måde at indrette sig på, der nåede sit klimaks i slutningen af 1960'erne og står som indbegrebet af "Danish Living" og et moderne udtryk for den danske hygge.

Fortællingen om dansk design tager ellers ofte afsæt i de frugtbare parløb mellem dygtige møbelsnedkere og kreative møbeldesignere, der med udgangspunkt i teorier formuleret i 1920'erne og 30'erne vandt indpas efter 1945, hvor Europa var ved at komme sig over rædslerne fra anden verdenskrig. Erfaringerne fra krigen førte til et ønske om at reformere samfundet og skabe en bedre verden for menneskeheden. Viljen til forandring bundede både i et politisk, ideologisk og økonomisk behov, og der blev indført nye programmer for boliger, uddannelser og velfærd i Danmark. Det førte til en kreativ ekspllosion hos de danske møbeldesignere, der ville skabe nye løsninger tilpasset det moderne liv. Formgiverne skabte her nogle af historiens største møbelikoner og satte dansk design på verdenskortet.

Når samfundets strukturer og tankemønstre transformerer sig, følger indretningen af vores hjem naturligvis med, og efterhånden som efterkrigsårene gik, ændrede behovet sig igen i forhold til indretning, boliger og livsformer. 1960'erne betød økonomisk fremgang, og kvinderne indtog arbejdsmarkedet. Det medførte nye familiestrukturer, og forbrugerne blev mere kritiske. Der opstod nye trends og en selektiv tilgang til, hvad man som menneske havde brug for. De små lejligheder fra efterkrigsårene var trange, og mange flyttede i mere rummelige enfamilieshuse i forstæderne tæt på naturen. I slutningen af 1960'erne udviklede der sig en specifik tone i dansk indretning mod et mere enkelt og gedigent udtryk. Fokus blev langtidsholdbare møbler af stor håndværksmæssig kvalitet, naturens farver og materialer udgjorde skalaen i hjemmet, de skandinaviske træsorter som eg, bøg og ask blev foretrukket og keramiske værker og tekstiler med enkle geometriske mønstre kom til at indgå som en vigtig del af interiøret. Meget af det foretrukne design og kunsthåndværk i slutningen af 1960'erne blev formgivet tilbage i efterkrigsårene, men genstandene blev nu håndplukket ud fra den nye trendskabende æstetik.

Tankegangen og æstetikken fra slutningen af 1960'erne synes i høj grad at matche den måde, vi i dag gerne vil indrette os på. Klimakrisen og behovet for bæredygtighed gör trenden fra dengang endnu mere relevant for os i dag. Vores hjem skal igen reflektere eftertænksomhed, kvalitet og modstand mod overforbrug. På auktionsmarkedet oplever vi en fornyet interesse fra designentusiaster over hele verden for møbler og kunsthåndværk, der passer ind i en sådan indretning. Auktionen "Danish Living – Design in Transition" sætter derfor spot på denne trend med rødder tilbage til 1960'erne.

Vi glæder os til at se alle til eftersyn og auktion!

Peter Kjelgaard Jensen, leder af europæisk strategi og integration, Bonhams Design

Danish Living – Design in Transition

Together with Bonhams' global network of auction houses, we welcome you to a special auction entitled "Danish Living – Design in Transition". Here we present a unique selection of Danish design and decorative art by both lesser-known names and leading figures such as Børge Mogensen, Hans J. Wegner, Nanna Ditzel, Poul Kjærholm, Gertrud Vasegaard, Vibekle Klint, Anna Thommesen and Gunnar Aagaard Andersen. The auction takes its starting point in a strong design tradition and a special way of decorating homes, which reached its climax in the late 1960s and stands as the epitome of "Danish Living" and a modern expression of the Danish term "hygge".

The story of Danish design is often focused on the fruitful pairings between skilled cabinetmakers and creative furniture designers. These collaborations were based on theories formulated in the 1920s and 1930s, but they only gained traction after 1945, when Europe was recovering from the horrors of the Second World War. The experiences from the war led to a desire to reform society and create a better world for humanity. The willingness to change was rooted in a political, ideological and economic need, and new programmes for housing, education and welfare were introduced in Denmark. This led to a creative boom among the Danish furniture designers, who wanted to create new solutions adapted to modern life. The designers created some of history's greatest furniture icons and put Danish design on the world map.

When society's structures and ideas change, the interior decoration of our homes often follows suit, and as the post-war years passed, the need for change once again influenced interior decoration, housing and our way of life. The 1960s meant economic progress, and women entered the labour market. This led to new family structures, and consumers became more critical. New trends emerged and a selective approach to individual needs. The small apartments from the post-war years were cramped, and many moved into more spacious single-family houses in the suburbs closer to nature. At the end of the 1960s, a specific trend developed in Danish interior design towards a more simple and solid expression. The focus became long-lasting furniture made with a high quality of craftsmanship. Colours and materials from nature formed the palette of the home. Scandinavian wood types such as oak, beech and ash were preferred, and ceramic works and textiles with simple geometric patterns came to be included as an important part of the interiors. Much of the favoured design and decorative art of the late 1960s were conceived back in the post-war years, but the objects were now handpicked from the new trendsetting aesthetics.

The way of thinking and the aesthetics from the late 1960s seem to match the way we want to live today. The climate crisis and the need for sustainability make the trend from that time even more relevant for us today. We once again want our homes to reflect thoughtfulness, quality and resistance to overconsumption. On the auction market, we are experiencing a renewed interest from design enthusiasts around the world in furniture and decorative art that fit into such an interior decoration. The auction "Danish Living – Design in Transition" therefore puts a spotlight on this trend with roots going back to the 1960s.

We look forward to seeing everyone at the preview and auction!

ARNE JACOBSEN

"The Drop" (Dråben). Very rare, all original chair with browned metal legs. Seat and back upholstered with original patinated brown leather. Designed 1958. This example manufactured approx. 1958 by Fritz Hansen.

The Snack Bar at SAS Royal Hotel

The present chair is all original and appears as it was used in the Snack Bar at the SAS Royal Hotel. Most "Drop" chairs to be offered in sales in recent years have been chairs that were originally used in the hotel rooms and thus upholstered with wool but later "re-done" with brown leather, and the chromed legs have been altered to resemble copper as the ones made for the Snack Bar.

"The Drop" chair was designed for the SAS Royal Hotel in Copenhagen, as part of the special decoration that Arne Jacobsen designed for this, his most famous, complete project. "The Drop" chair was upholstered with wool fabric for the hotel rooms, while a version upholstered with leather was made in 40 pieces for use in the hotel's Snack Bar.

Tom Dixon

Established in 2002, Tom Dixon is a British luxury design brand which is represented in 90 countries. Specialising in furniture, lighting and accessories, Tom Dixon has hubs in London, Milan, Hong Kong, New York, Tokyo, Hangzhou, Beijing and Shanghai. With an aesthetic that is intrinsically inspired by the brand's British roots, the products are internationally recognised and appreciated for their pioneering use of materials and techniques.

Founder and eponymous Creative Director Tom Dixon is a restless innovator who rose to prominence in the mid-1980s as a maverick, untrained designer with a line in welded salvage furniture. While working with the Italian giant Cappellini he designed the widely acclaimed 'S' Chair. In the late 90s, Tom became Creative Director at Habitat and rejuvenated the brand while maintaining Terence Conran's vision of enriching everyday life through simple, modern design. In 2001, Tom was awarded an OBE by Her Majesty the Queen for his services to British design. In 2014, he was awarded 'Designer of The Year' at Maison & Objet, Paris. In 2019, he received a silver medal for Best Garden at the RHS Chelsea Flower Show, and in the same year, he was awarded the prestigious London Design Medal at the British Land Celebration of Design Awards. Tom is one of the industry's most feted British designers and is internationally heralded as a significantly original talent.

Launched in 2007, Design Research Studio, the design and innovations agency at the heart of Tom Dixon, continues to create extraordinary spaces globally. Recent projects have included reimagining the modern cruise experience for Virgin Voyages on their first ship, re-inventing the layout and interior of The Pullman Hotel in Bercy, the iconic Drugstore Brasserie on Les Champs-Elysees, Paris, and designing The Manzoni in Milan, Tom Dixon's first European hub which acts as a restaurant, shop and office all in one. In 2018, the brand relocated its headquarters - Cool Office - to London's King's Cross, which was a significant step for the business. Cool Office operates as an office, shop, workshop and restaurant all under one roof and is located in the affluent shopping destination, Cool Drops Yard.

Best-selling products such as Beat, Melt, S-Chair and Wingback are instantly recognisable and have been acquired by the world's most famous museums including the Victoria & Albert Museum, London; MOMA, New York; and the Centre Pompidou, Paris. Latest additions to the brand's range, such as the Fat chair, Spring lights and Swirl accessories are quickly gaining momentum and reiterate Tom Dixon's status and significance in the design world.

GUNNAR AAGAARD ANDERSEN

Painter, designer, graphic artist, professor, sculptor, architect, set designer, editor, lighting artist, theorist, practitioner, illustrator, educator, debater, communicator, organizer, activist, rule breaker, enthusiast, provocateur, critic, playful, pundit, mathematician, inventor, facilitator, agitator, writer, pioneer, firebrand, influencer, aesthete. This is how Gunnar Aagaard Andersen is described on the cover of Vibeke Petersen Gether's tome of a biography "GAaA" from 2016. Gunnar Aagaard Andersen was truly a man of many talents, who is impossible to describe in just a few words. A playful child who freely experimented with everything he got his hands on.

When talking about Danish design, GAaA's furniture is not the first thing that comes to mind for most people. Nevertheless, they constitute an enormously important chapter in Danish furniture design, which is also clear to see from their rich representation in the collection at Designmuseum Denmark as well as in other important collections such as MoMA in New York and the Stedelijk Museum in Amsterdam.

From 1958-1982, GAaA lived at Munkeruphus, which today functions as a museum and, in addition to changing exhibitions, houses a permanent exhibition about Gunnar Aagaard Andersen and his enormous oeuvre.

"The chair consists of four pillows kept together by braided leather straps. The chair is frameless. The braid complies systematically with the outer as well as the inner forms that are made by the pillows together." Gunnar Agaard Andersen, artist occassionally turned designer, was however in most peoples mind as well as probably in his own conception a painter associated with the abstract concrete simple geometric. But he describes his approach to his few and highly artistic furniture designs in the following manner: "In the act of designing funiture I once again have approached the figurative picture. Furniture is when applicable negative imprints of the human body. It is as the mould for a sculpture."

A patinated oak chair, curvy seat and back. Cushions in seat and back upholstered with cognac coloured leather, fitted with buttons. Designed 1963. This example made 1960s by cabinetmaker J.H. Johansens Eftf.

Model presented at The Copenhagen Cabinetmakers' Guild Exhibition at Designmuseum Danmark, 1963.

Literature: Grete Jalk [ed.]: "40 Years of Danish Furniture Design", vol. 4, p. 242–243.

Grete Jalk was one of the very few female architects and designers who during the golden age of Danish design from around 1940-1970 managed to achieve a breakthrough in a world dominated by male colleagues, and she made it all the way to the front of the pack. Grete Jalk broke with the norms and trained as a carpenter before she completed her studies at the furniture department at the School of Arts and Crafts in 1946. In her first furniture pieces from the late 1940s, she adhered to the traditions of classical Danish craftsmanship and created furniture with the forms known at the time. However, during the 1950s, she displayed a special talent for embracing wider traditions than what the classical Danish craftsmanship usually dictated. She did this by both orienting herself towards international trends and exploring the possibilities that new materials and production methods made possible, such as lamination and the bending of forms. Her zenith as a furniture designer was around the period 1960-64, where she, among other pieces, designed her iconic shell chair from 1963, which stands as one of the clearest examples from anywhere in the world of modern furniture design in the 20th century. This chair and stool are from this same fruitful period, and the set was exhibited at the Cabinetmakers' Guild Exhibition in 1963.

It is in many ways a modern anachronism, a kind of juxtaposition, which adheres to a rational geometric, industrial modernism in its idiom with an apparent simplicity, and the choice of the unpretentious Oregon pine as material. But in reality, the refined and extremely expensive carpentry was reserved for the few, and this approach to the craft slowly succumbed to more rational productions in the following decade. The chair was presented in 1963 in a nearly whitewashed 'religious' room in front of the modern-day altar of a stereo and TV. A decor which is an exquisite aesthetic pleasure, but where the chair also almost becomes an ironic commentary on its own sublimeness. Grete Jalk continued to work for many years until her death in 2006. In 1987, she was the editor of the four volume work "40 Years of Danish Furniture Design", thereby helping to preserve essential knowledge about the golden age of Danish design. It is a book that today stands as the central reference source for Danish furniture design. DKK 25,000–30,000 / € 3,350–4,050

Anna Thommesen

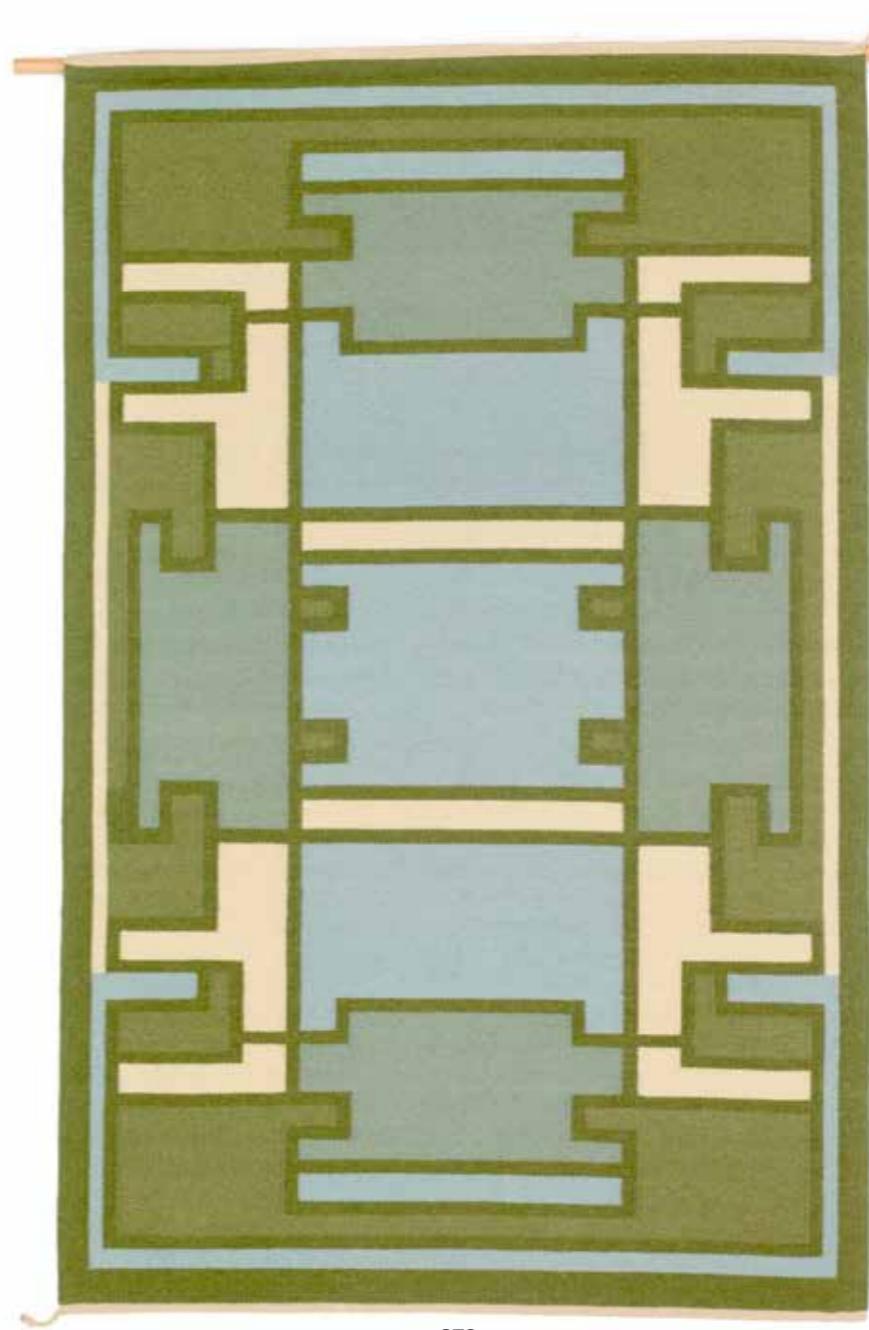

Anna Thommesen was a self-taught Danish painter and weaver. Already during the 1940s, the weaving became the primary way she unfolded her creativity. She is mostly known for her straight-line, geometric patterns. As is the case with the following carpets, they are usually symmetrical, both vertically and horizontally. Her gentle and natural colouring is due to her approach to the colours. She was inspired by the colours in the Danish nature, and she taught herself early on how to boil down plants to subsequently dye her yarn with these natural pigments. The work process always started with a watercolour inspired by the colours of nature, and the colours were in this way always the starting point in her work. She developed the patterns based on the colours used. This work process resulted in weavings that showed a harmonious unified whole in the interaction between colour, shape and pattern.

In the 1950s, she developed her style to include more complicated patterns which required the greater technical ability she had achieved at this point. However, she returned to the more simpler patterns that have become characteristic of her work, and which she is primarily associated with as an artist.

Anna Thommesen's flat-woven handmade carpets are of the highest quality and one of the best examples of sublime Danish textile craft. Her works are found in the collection at The Designmuseum Denmark, the exhibition at the Amalienborg Museum in Christian VIII's Palace and the National Gallery of Denmark.

In 1957, Anna Thommesen had a collaborative exhibition with Finn Juhl at Designmuseum Denmark. From 1940 until her death in 2004, Anna Thommesen was married to the sculptor Erik Thommesen. Finn Juhl's furniture, Anna Thommesen's carpets and Erik Thommesen's sculptures are often shown together. For example, in Finn Juhl's house at Ordrupgaard.

A sterling silver bangle with engraved motif. Unsigned. Marked 925 S. Weight 102 g. Made ca. 1960-1970. Inner dimensions approx. 5 x 5.7 cm.

In connection with the exhibition "HELT PRIVAT - Asger Jorn's Jewellery" (18/8-21/10 2018), Museum Jorn writes: "...from the early years in Paris in the 1930s, he made, designed and had personal jewellery made - for his three wives, daughters, sisters and lovers. Jorn's jewellery was, unlike many artists of his time, not made in a series intended for sale, but created and given straight from the heart. Intimacy, love, separation and strife are motifs and driving forces in Jorn's jewellery production. [...] The inspiration for the jewellery came from many sources: Impressions from the lively art scene of the 1930s with people such as Miró, Picasso, Legér and Paul Klee. The inspiration also came from the stylized expression of ritual masks and finally from the more symbolic and erotically charged imagery of surrealism".

"Hunting Chair". A very rare and early example lounge chair of solid, patinated oak. Seat and back with original patinated natural leather, made by saddle maker Dahlman. Designed 1950. Prototype made 1950 by cabinetmaker Erhard Rasmussen.

Royal saddle maker "Brødrene F. & L. Dahlman's Eft." made the leatherwork on all 12 examples of the "Hunting Chair", where the frame was made by cabinetmaker Erhard Rasmussen. The leatherwork on these first examples was consequently in a very fine quality, in terms of craftsmanship on par with the wooden frames supplied by Erhard Rasmussen. The leather was supplied by the Danish tannery Dominion Belting.

IVAN SCHLECHTER

When talking about Danish furniture, the focus has previously been mostly on the cabinetmaker, today the primary focus is on the furniture designer. An often slightly overlooked person in the process, however, is the furniture upholsterer. It is rare that we get to know who has upholstered a piece of furniture. The exception, however, is Ivan Schlechter.

Schlechter was primarily known for his work as an upholsterer and is a well-known name for connoisseurs of Danish furniture design.

He has worked with furniture upholstery for many of the biggest Danish designers and cabinetmakers during the golden age of Danish furniture design, including Finn Juhl, Poul Kjærholm, Mogens Koch, Edvard & Tove Kindt-Larsen, Hans J. Wegner and Gunnar Aagaard Andersen.

Already during Schlechter's time as an apprentice in the 1930s, he met the young furniture designers, and in collaboration with them he developed the prototypes for some of the biggest Danish furniture icons.

In the later years of his life and until he died in 2018 at the age of 99, Schlechter ran a workshop together with his friend Ole Gjerløv-Knudsen, where he worked with leather and upholstery until the very end.

HANS SANDGREN JAKOBSEN

b. København 1963

A solid ash stool with 35 turned sticks with a funnel-shaped top inspired by the midwife's Pinard horn and the stamens of the flower, mounted in a rectangular block with a concave curved top. This example made and stamped 2010s in a numbered edition by Werner, Denmark.

This copy No. 15. H. 43–46. L. 74. B. 38.

"The Unrockable" and its counterpart "The Rockable" were designed in 1999 for the exhibition "Planken Ud/Walk The Plank". 21 established furniture designers were paired with 21 young cabinetmakers by lottery and had to make at least one piece of furniture together.

Hans Sandgren Jakobsen is a trained cabinetmaker and throughout his career has attended the Royal Danish Academy of Fine Arts, The Danish School of Design, worked for a year in Japan and then worked in Nanna Ditzel's design studio from 1990–1997, where he developed his material curiosity.

Literature: Masterpieces - 100 years of Danish cabinet-making. Illustrated and described pp. 92–93. Here the stool is described: "...There is no doubt that Hans Sandgren Jakobsen had a different agenda than just creating a piece of furniture for an exhibition, and the choice of the midwife's stethoscope as a supporting element in more than one sense gives the geometric unfoldings a mischievous and humanistic twist. The stools have not been easy to make, but on the other hand they are good examples of the fruitful dialogue between a visionary designer and a motivated craftsman". - Mike Roemer.

1.1 Alle udbudte genstande er vurderet af BRK. Vurderingen er et skøn over det forventede hammerslag, jf. punkt 5.3. Vurderingen er baseret på tidligere salg af samme type genstande og erfaringer hos BRK. Hammerslag kan derfor falde højere eller lavere ud end vurderingen.

2 BESKRIVELSE AF GENSTANDE

2.1 Udbudte genstande præsenteres med fotos og beskrivelse i kataloger og på bruun-rasmussen.dk. Beskrivelsen foretages efter bedste overbevisning af BRK og ud fra en nøje undersøgelse efter den på salgstidspunktet herskende opfattelse blandt eksperter.

2.2 De udbudte genstande er af en alder og art, der bevirker, at de ofte er behæftede med slitage, mangler, beskadigelser og reparationer. Som udgangspunkt sælges alt som brugte genstande, og derfor indeholder beskrivelsen i kataloget og på bruun-rasmussen.dk ikke en redegørelse for ovenstående punkter eller genstandens stand.

2.3 I visse tilfælde vælger BRK at beskrive en genstands oprindelse. Det sker, hvis en tidligere ejer er offentlig kendt, og/eller hvis historien om et tidligere ejerskab belyser genstanden og dens art. Omvendt sker det også, at sådanne informationer udelades fra beskrivelsen, f.eks. for at imødekomme sælgers ønske om diskretion.

2.4 Vurderingen og beskrivelsen kan blive revideret forud for auktionen. Ændringer offentliggøres på bruun-rasmussen.dk

3 EFTERSYN

3.1 Udbudte genstande udstilles op til auktionen i et showroom hos BRK. Potentielle budgivere opfordres til at se genstanden efter i detaljer og har selv ansvaret for at forvise sig om dens stand på disse eftersyn, hvor der også er mulighed for at rádføre sig hos vurderingssagkyndige.

3.2 Hvis en potentiel køber ikke har mulighed for at besigtige genstanden ved selvsyn, kan der i de fleste tilfælde udfærdiges en konditionsrapport. Beskrivelsen heri er foretaget efter BRK's bedste overbevisning, men er ikke baseret på videnskabelige undersøgelser. En konditionsrapport tjener blot som identifikation og er ment som en hjælp til budgivere, der ikke selv har mulighed for at besigtige genstanden på eftersynet.

UNDER AUKTIONEN

4 BRK'S ROLLE

- 4.1 Salget af en genstand formidles af BRK på vegne af sælger. BRK afhænder altid udbudte genstande til den højst mulige pris under budgivningen.
- 4.2 Udbudte genstande kan have en med sælger aftalt mindstepris, hvorunder den ikke kan sælges. Denne pris er fortrolig.
- 4.3 De traditionelle auktioner overværes af en af Justitsministeriet beskikket auktionsleder, der sikrer, at auktionerne går retmæssigt for sig.

5 BUDGIVNING

- 5.1 Auktionerne afvikles i danske kroner. De tilnærmedesvis beløb i euro/US dollar vil blive oplyst på skærme i auktionssalen og i øvrigt på opfordring.
- 5.2 Auktionarius bestemmer overbuds størrelse og i hvilket tempo, auktionen afvikles. Overbud stiger normalt med 5 % - 10 % i forhold til det foregående bud. Normalt sælges der 50-100 katalognumre i timen.
- 5.3 Hammerslag betegner både det forhold, at auktionarius slår med hammeren og derved markerer budgivningens afslutning, og den pris (budsum), den udbudte genstand sælges til. Se punkt 7 vedrørende beløb, der tillægges hammerslaget.
- 5.4 Køber er den budgiver, der opnår hammerslag. Ved hammerslaget indgås på baggrund af disse købsvilkår en bindende købs-/salgsaftale.
- 5.5 Bydes på andres vegne, hæfter budgiver som selvskyldner-kautionist for handlen.
- 5.6 Genstande købes som beset, og køber har uanset budtype ingen fortrydelsesret, heller ikke efter forbrugeraftaleloven.
- 5.7 Budgiver skal efter anvisninger fra BRK identificere sig og dokumentere sin betalingsdygtighed, f.eks. ved registrering af gyldigt betalings-/kreditkort, bankgaranti eller indbetaling af depositum.
- 5.8 BRK kan nægte at acceptere et bud, hvis en tilstrækkelig sikkerhed for betaling mangler, eller hvis budgiver tidligere har misligholdt betalingsforpligtelser ved køb hos BRK.
- 5.9 Auktionslederen træffer i samråd med auktionarius afgørelse i alle tvivlstilfælde omkring budgivningen.

6 BUDTYPER

- 6.1 Der er følgende muligheder for at afgive bud:
PERSONLIGT FREMMØDE:
Registrering og udlevering af bydeskilt foregår ved indgangen til auktionssalen. Når budgiver ønsker at byde, signaleres dette til auktionarius ved at række bydeskillet i vejret og tydeligt fremvise dets nummer.
KOMMISSIONSBUD:
Det ønskede maksimale bud kan afgives via bruun-rasmussen.dk frem til auktionens start eller pr. e-mail, fax eller telefon, så buddet er modtaget senest 24 timer forud for auktionens start. En kommissionær byder på budgivers vegne inden for rammerne af det ønskede maksimalbud og vil altid afgive lavest muligt overbud.
TELEFONBUD:
I forhold til visse genstande er der mulighed for at blive ringet op af en medarbejder fra BRK, der vil byde på budgivers vegne under auktionen. Servicen kan bestilles via bruun-rasmussen.dk indtil tre timer før auktionens start.

LIVE BIDDING:

Det er muligt at følge auktionen live og byde med via bruun-rasmussen.dk

FORAUKTION:

Visse traditionelle auktioner indledes med en net-auktion. De højeste bud på net-auktionen danner udgangspunktet på den efterfølgende traditionelle auktion.

EFTER AUKTIONEN

7 BELØB, DER TILLÆGGES HAMMERSLAGET

- 7.1 1 tillæg til hammerslaget, jf. punkt 5.3, skal køber for den enkelte genstand betale købersalær og, hvis betingelserne er opfyldt, de øvrige beløb, der er nærmere beskrevet nedenfor. Det samlede beløb, som køber skal betale til BRK, benævnes "købesummen".
 - 7.1.1 Købersalær: Hammerslaget tillægges et salær til BRK. På de traditionelle auktioner udgør salaret 25,6 % af hammerslaget + moms af salaret, i alt 32 %. For firmaer og mønster udgørs salaret 20 % af hammerslaget + moms af salaret, i alt 25 %.
 - 7.1.2 "LIVE bidding": BRK's "LIVE bidding"-software via bruun-rasmussen.dk er gratis at benytte for budgivere.
 - 7.1.3 Fuldmoms: Visse genstande handles efter de gældende regler om fuldmoms. Her beregnes der moms på 25 % af både hammerslag og salær. Disse genstande er i beskrivelsen i kataloget og på bruun-rasmussen.dk mærket med symbolet "*" eller med teksten: "Dette emne handles i fuldmoms".
 - 7.1.4 Kunstrerafgift: Ifølge dansk lovgivning om ophavsret skal der opkræves kunstrerafgift (følgeretsvederlag) for værker af nyere danske og visse udenlandske kunstnere, som enten er nulevende eller ikke har været døde i mere end 70 år. Kunstrerafgiften opkræves på vegne af VISDA. Disse værker er i kataloget mærket med "ARR" (Artist's Resale Right) og på bruun-rasmussen.dk med teksten "Dette emne er belagt med kunstrerafgift". Kunstrerafgiften tillægges hele hammerslaget + salær (eksl. moms), når beløbet overstiger 300 euro, som angivet nedenfor:

Hammerslag + salær (eksl. moms)	Betalingsats
300,01 - 50.000 euro	5%
50.000,01 - 200.000 euro	3%
200.000,01 - 350.000 euro	1%
350.000,01 - 500.000 euro	0.5%
over 500.000 euro	0.25%

Kunstrerafgiften kan ikke overstige 12.500 euro (eksl. moms) for den enkelte genstand. Afgiften skal betales i danske kroner, og omregningskurset (EUR/DKK) fastsættes af VISDA.
 - 7.1.5 Betalings-/kreditkortgebyr: BRK forbeholder sig ret til at opkræve de af indløsningselskaberne pålagte betalings-/kreditkortgebyrer. Satserne fremgår ved budgivning via bruun-rasmussen.dk og ved betaling.

8 BETALINGSFRIST

- 8.1 Købesummen forfalder til betaling ved hammerslaget, og køber har herefter otte dage til at betale købesummen til BRK.

9 BETALINGSMÅDER

- 9.1 Betaling kan ske på følgende måder:
 - A: Med betalings-/kreditkort (Dankort, Visa, MasterCard, Maestro, Diners Club, JCB og China UnionPay) eller kontant (op til 19.999 kr.) i auktionssalen eller efterfølgende i en afdeling hos BRK. Bemærk, at vi ikke modtager 500-eurosedler.
 - B: Inddragte købers tilgodehavende hos BRK, herunder tilgodehavende fra salg af genstande indleveret af eller på vegne af køber, uanset om et sådant tilgodehavende stammer fra auktionssalg, som ligger forud for eller efter tidspunktet for købers misligholdelse.

B: Med betalings-/kreditkort (Dankort, Visa, MasterCard, Maestro, Diners Club og JCB) på bruun-rasmussen.dk under købers personlige side.

C: Via bankoverførsel til BRK's konto i Danske Bank: 4183 4310970638 · Swift/BIC: DABADKKK · IBAN: DK4130004310970638.

10 MOMSFRTAGELSE, -BETALING OG -DEPONERING

- 10.1 Visse købere kan vælge hvilken momstype, der skal være gældende for handlen. Valget skal meddeles BRK senest to hverdage efter købet og kan ikke omgøres.

A: Momsregistrerede virksomheder i Danmark kan vælge, at handlen skal ske efter reglerne om fuldmoms, jf. punkt 7.1.3.

B: Momsregistrerede virksomheder i et andet EU-land kan fritages for dansk moms, når det kan dokumenteres, at genstanden er transporteret til den udenlandske adresse, som køber har oplyst over for BRK, og som er anført på fakturaen. I sådanne tilfælde skal der afregnes moms efter de gældende regler i det land, hvor køber er momsregistreret. Det tilrådes at søge oplysning hos de lokale myndigheder. Køber kan undlade at gøre brug af muligheden for momsfratagelse og i stedet betale dansk brugtmoms/fuldmoms.

C: Købere med bopæl uden for EU kan fritages for dansk moms, når det kan dokumenteres, at genstanden er transporteret ud af EU. BRK udsteder så vidt muligt og mod gebyr de fornødne eksportpapirer, som skal fremvises ved toldmyndighederne. Køber kan undlade at gøre brug af muligheden for momsfratagelse og i stedet betale dansk brugtmoms/fuldmoms.

- 10.2 Momsregistrerede virksomheder i et andet EU-land og købere med bopæl uden for EU skal deponere den danske moms af fakturabeløbet hos BRK, indtil eksporten er gennemført på dokumenteret lovlige vis. Foretages eksporten af en af BRK godkendt speditør, skal momsen ikke deponeres. Se listen over godkendte speditører på bruun-rasmussen.dk

11 OVERSKRIDELSE AF BETALINGSFRIST

- 11.1 Overskrides en betalingsfrist, herunder fristen i punkt 8, opkræves moranter, som beregnes efter Nationalbanks officielle udlånsrente + 8 % om året af det skyldige beløb.

11.2 Betales købesummen inkl. renter ikke senest ti dage efter, at der er fremsat påkrav herom, er BRK berettiget til at søge købesummen betalt ved modregning i depositum/ved træk på bankgaranti eller at hæve købet.

11.3 Hæves købet, er BRK berettiget til at sælge genstanden på en ny auktion og kræve omkostningerne og en eventuel difference mellem hammerslag (samtid salær), der er opnået på de to auktioner, betalt af den misligholdende køber.

11.4 Alle forfaldne krav (inkl. omkostninger), som ikke betales rettidigt, kan BRK i tillæg til inkasso søge inddrevet på følgende måder:

- A: For købers regning sælge genstande indleveret til auktion af eller på vegne af køber. Salget kan gennemføres uden hensyntagen til en aftalt mindstekurs. Genstande indleveret til auktion kan ikke kræves udleveret, så længe forfalden gæld henstår ubetalt.
- B: Inddragte købers tilgodehavende hos BRK, herunder tilgodehavende fra salg af genstande indleveret af eller på vegne af køber, uanset om et sådant tilgodehavende stammer fra auktionssalg, som ligger forud for eller efter tidspunktet for købers misligholdelse.

12 AFHENTNING OG UDLEVERING

- 12.1 Ejendomsretten til en købt genstand overgår til køber, når hele købesummen inkl. eventuelle renter og gebyrer er betalt, og først herefter kan udlevering af genstanden finde sted.
- 12.2 Ved udlevering af en købt genstand forbeholder BRK sig retten til at kræve tilfredsstillende dokumentation for, at den person, som ønsker genstanden udleveret, enten selv er køberen eller er bemyndiget af køberen til at få genstanden udleveret.
- 12.3 Udlevering af visse våben kræver forevisning af gyldig våbentilladelse. Sådant krav er angivet med teksten "Køb af dette emne kræver forevisning af gyldig våbentilladelse" i kataloget og på bruun-rasmussen.dk
- 12.4 Købte genstande henligger fra hammerslaget for købers regning og risiko. Afhentning skal ske senest otte hverdage efter sidste auktionsdag.
- 12.5 Foretages afhentningen ikke rettidigt, transporterer de købte genstande til et lager for købers regning og risiko. Transporten koster 150 kr. inkl. moms pr. genstand, og opbevaringen koster 150 kr. inkl. moms pr. genstand pr. påbegyndt uge. Henligger en genstand uafhentet i så lang tid, at lagerlejen overstiger genstandens værdi, er BRK berettiget til for købers regning og risiko og uden hensyn til mindstepris at bortauktionere genstanden eller sælge den underhånden. Køber hæfter fortsat for udgifter til transport og lagerleje, der ikke dækkes ved sådant salg.
- 12.6 I henhold til gældende hvidvasklovgivning skal køber i visse tilfælde udlevere identitetsoplysninger og fremvise billede-id til BRK, før køber kan få den købte genstand i sin besiddelse

13 FORSENDELSE

- 13.1 Er køber forhindret i selv at afhente en genstand, tilbyder BRK for købers regning og risiko at emballere og arrangere forsendelse enten med post eller speditør. Se punkt 12.2 angående legitimation.

14 EKSPORTTILLADELSE

- 14.1 For at sikre at dansk kulturarv af afgørende betydning forbliver i Danmark, kan Kulturværdiudvalget for visse genstandes vedkommende nedlægge eksportforbud. Hvis køber ønsker at eksportere en genstand ud af Danmark, hvor der er nedlagt et eksportforbud, annulleres købet, og Kulturværdiudvalget er forpligtet til at overtage genstanden til den pris, der blev opnået på auktionen. Køber kan ikke rejse krav mod BRK som følge af, at et eksportforbud bliver nedlagt.
- 14.2 Visse genstande er omfattet af Washingtonkonventionen, også kendt som CITES, der har til formål at stoppe ulovlig handel med genstande fremstillet af udryddelsestruede vilde dyr og planter. Såfremt en genstand er omfattet af Washingtonkonventionen, CITES, liste 1, vil det fremgå af beskrivelsen på bruun-rasmussen.dk og være markeret med symbolet "C" i kataloget. Følgende regler gør sig gældende:
 - A: Genstande omfattet af Washingtonkonventionen, CITES, liste 1, må kun handles, når der foreligger en dispensation i form af et såkaldt CITES-salgscertifikat. BRK indhenter det fornødne certifikat fra Naturstyrelsen, der tillader handel og eksport til lande inden for EU. Dog kan genstande, som er færdigforarbejdet før 1947, frit handles inden for EU uden et certifikat.
 - B: Det er alene genstande omfattet af Washingtonkonventionen, CITES, liste 1, som er særskilt markeret på bruun-rasmussen.dk og i kataloget. Genstande omfattet af Washingtonkonventionen, CITES, liste 2, der frit kan sælges og transportereres inden for EU, er ikke særskilt markeret.
 - C: Ved eksport til lande uden for EU skal der uanset årstallet for genstandens færdigforarbejdning altid indhentes en CITES-eksporttilladelse fra Naturstyrelsen,

når genstanden er omfattet af Washingtonkonventionen, CITES, liste 1 og 2. Denne eksporttilladelse kan normalt indhentes problemfrit, når liste 1-genstande enten er solgt med et CITES-salgscertifikat eller er færdigforarbejdet før 1947. Liste 2-genstande opnår ligeledes normalt problemfrit en eksporttilladelse. Eventuelle omkostninger, der opkræves at de danske myndigheder i forbindelse med udstedelse af en eksporttilladelse, vil blive pålagt købers faktura.
D: I forbindelse med eksport til lande uden for EU kan særlige regler gøre sig gældende ifm. den efterfølgende import, og køber opfordres til at indhente oplysninger fra egne myndigheder.

15 MANGLER VED KØBTE GENSTANDE

- 15.1 Købelovens mangelsregler kan finde anvendelse. Nedenfor er angivet et ikke udtømmende uddrag af købers mangelsbeføjelser.
- 15.2 Køber er berettiget til at annullere et køb, hvis beskrivelsen har været behæftet med væsentlige fejl, der har ført til et højere hammerslag, end en korrekt beskrivelse ville have resulteret i. I sådanne tilfælde vil den samlede købesum blive refundert. Køber kan ikke kræve betaling af renter af købesummen eller kræve dækning af anden udgift eller tab.
- 15.3 Et køb kan ikke annulleres, og køber kan ikke kræve købesummen refundert eller rejse noget andet krav mod BRK, hvis beskrivelsen af genstanden er i overensstemmelse med punkt 2, eller hvis en påvisning af falsknari havde krævet brug af videnskabelige metoder, der enten ikke var tilgængelige på salgstidspunktet, havde været uforholds-mæssigt omkostningskrævende at anvende eller havde ført til beskadigelse af den pågældende genstand.
- 15.4 Krav om annullering af et køb skal meddeles BRK, når køber er blevet bekendt med det forhold, der berettiger køber til at annullere købet, dog senest to år fra den seneste afhentningsdato efter punkt 12.4. Den købte genstand skal returneres til BRK i samme stand som på hammerslagsidspunktet. Overholder disse betingelser ikke, mister køber retten til at annullere købet og kan ikke kræve købesummen refundert. Køber er selv ansvarlig for at betale de omkostninger, der er forbundet med returnering af genstanden.

16 INDSIGELSE- OG ANSVARSBEGRÆNSNING

- 16.1 BRK tager forbehold for fejl, tekniske vanskeligheder samt udefrakommende misbrug eller forstyrrende påvirkning under auktionen. Budgivere kan ikke rejse noget krav mod BRK som følge heraf.
- 16.2 Køber er i alle tilfælde selv ansvarlig for korrekt betaling af moms og andre afgifter, gebyrer mv. i overensstemmelse med danske og udenlandske regler.
- 16.3 Medmindre andet fremgår af disse købsvilkår, kan BRK aldrig blive ansvarlig for budgivers/købers driftstab, avancetab, andre indirekte tab eller følgeskader.

17 PERSONDATAPOLITIK

- 17.1 Det er vigtigt for BRK at sikre fortrolighed og sikkerhed omkring budgivers/købers personlige oplysninger. Person-datapolitikken fremgår af bruun-rasmussen.dk.

18 KLAGE, TVISTLØSNING OG LOVVALG

- 18.1 Har budgiver/køber en klage, kan der altid rettes henvendelse til BRK.
- 18.2 Lykkes det ikke at finde en løsning, kan forbrugere sende en klage til Nævnenes Hus, Toldboden 2, 8800 Viborg, e-mail: naevneneshus.dk. Forbrugere med bopæl i et andet EU-land end Danmark kan klage til EU-Kommissionens online klage-portal via hjemmesiden: <http://ec.europa.eu/odr>.
- 18.3 Tvister skal indbringes i Danmark ved Københavns Byret, jf. dog punkt 18.2. I forbrugerforhold gælder de ufravigelige værnetingsregler.

Bruun Rasmussen Kunstauktioner

Rev. 08.22

CONDITIONS OF PURCHASE – LIVE AUCTIONS

These conditions of purchase represent Bruun Rasmussen Kunstauktioner A/S ("BRK") conditions of purchase for live auctions and are effective from 1 January 2017. BRK may modify the conditions of purchase at any time.

By bidding, the bidder/buyer accepts the current conditions of purchase as they appear on bruun-rasmussen.dk. The conditions of purchase are applicable to both business owners and consumers.

BEFORE THE AUCTION

1 VALUATION OF ITEMS

- 1.1 All the offered items are valued by BRK. The valuation is an estimate based on the expected hammer price, see paragraph 5.3. The estimate is based on the previous sale of similar items as well as BRK's past experience. The hammer price can therefore be higher or lower than the estimated price.

2 DESCRIPTION OF ITEMS

- 2.1 Items up for auction are presented with photographs and descriptions in catalogues and on bruun-rasmussen.dk. The description is worded according to the best of BRK's knowledge and based on detailed research in accordance with the prevailing views among experts at the time of sale.
- 2.2 The items up for auction are of an age and nature that often mean that they are in a worn, repaired or damaged condition. As a starting point everything is sold as used items. For this reason, the descriptions in the catalogue or at bruun-rasmussen.dk do not include a statement regarding the above or the condition of the item.
- 2.3 In some cases, BRK may choose to describe an item's provenance. Such a description is made if a former owner is publicly known and/or if the story of previous ownership sheds further light on the item and its background. In other cases, such information is left out of the description, for instance to meet the seller's wish for privacy.
- 2.4 It is possible that the estimate and description are revised prior to the auction. Changes are published on BRK's website.

3 PREVIEW

- 3.1 Items up for auction are presented prior to the auction in one of BRK's showrooms. Potential bidders are encouraged to inspect the items closely and are responsible for determining the condition of the items at these previews, where they also have the opportunity to consult with the valuation experts.
- 3.2 If a potential buyer does not have the opportunity to inspect the item personally, a condition report can be drafted in most cases. The description in this report has been made according to BRK's honest conviction but is not based on scientific studies. A condition report only serves as an identification and is meant as an aid to bidders who do not have the opportunity to inspect the item at the preview.

DURING THE AUCTION

4 THE ROLE OF BRK

- 4.1 The sale of an item is facilitated by BRK on behalf of the seller, and BRK always sells items up for auction at the highest price offered during the bidding round.

- 4.2 Items up for auction can have a reserve price that has been agreed upon with the seller. The price is confidential and the item cannot be sold below this price.

- 4.3 The live auctions are presided over by one of the Danish Ministry of Justice's appointed auctioneers, ensuring that the auctions proceed correctly and lawfully.

5 BIDDING

- 5.1 The currency used while the auctions take place is Danish kroner. The approximate amount in euro/US dollars is shown on screens in the saleroom and also on request.
- 5.2 The auctioneer determines the size of the bid increment and the pace of the auction. Bid increments usually rise by 5% - 10% compared to the previous bid. Approximately 50-100 auction lots are sold per hour.
- 5.3 The hammer price refers both to the gavel used by the auctioneer that signifies the end of a bidding round on an item and to the price (bidding amount) that the item up for auction is sold for. See paragraph 7 regarding amounts added to the hammer price.
- 5.4 The buyer is the bidder that submits the highest bid, thereby obtaining the hammer price. At the moment the hammer price is determined, a binding purchase/sale agreement is entered into based on these conditions of purchase.
- 5.5 If bids are made on behalf of others, the bidder serves as surety for the transaction.
- 5.6 Items are purchased in their present state and condition, and regardless of the type of bidding the buyer has no right to cancel his purchase, neither under the Danish Consumer Contracts Act.
- 5.7 Bidders are required, in accordance with BRK's instructions, to identify themselves and document their ability to pay, for instance by registration of a valid debit/credit card, bank guarantee or a deposit.
- 5.8 BRK may refuse to accept a bid if a sufficient guarantee of the bidder's ability to pay is not provided, or if the bidder has previously defaulted on payment obligations on purchases from BRK.
- 5.9 The overseeing auctioneer will, in consultation with the auctioneer at the podium, decide what to do in matters of dispute concerning a bidding round.

6 TYPES OF BIDDING

- 6.1 Bidding options:
IN PERSON:
Registration and obtaining the bidding paddle take place at the entrance to the saleroom. When the bidder wishes to bid, it is signalled to the auctioneer on the podium by raising the bidding paddle in the air and clearly displaying its number.
COMMISSION BIDS:
The intended maximum bid can be submitted via bruun-rasmussen.dk until the start of the auction or by e-mail, fax or phone, so that the bid is received no later than 24 hours prior to the start of the auction. A commission agent bids on behalf of the bidder within the limits of the stated maximum bid. The commission agent will always bid the lowest possible amount to achieve the hammer price.
TELEPHONE BID:
With certain items it is possible to have a BRK employee call the bidder over the phone. The employee will then bid on behalf of the bidder during the auction. The service can be booked via bruun-rasmussen.dk up until three hours before the auction is set to begin.

LIVE BIDDING:

It is possible to follow the auction live and bid on the auction lots via [bruun-rasmussen.dk](#).

PRE-AUCTION:

Some live auctions are preceded by an online auction. The highest bids from the online auction then represent the starting bids at the following live auction.

AFTER THE AUCTION

7 AMOUNTS ADDED TO THE HAMMER PRICE

- 7.1 In addition to the hammer price, see paragraph 5.3, the buyer pays a buyer's premium for the individual items as well as the other amounts described below if the conditions for these are applicable. The total amount that the buyer pays to BRK is called the "purchase price".
- 7.1.1 Buyer's Premium: The hammer price always includes an additional fee to BRK. At the live auctions, the fee is 25,6% of the hammer price + VAT of the fee, 32% in total. For stamps and coins, the fee is 20% of the hammer price + VAT of the fee, a total of 25%.
- 7.1.2 "LIVE Bidding": BRK's "LIVE Bidding" software is free to use for bidders on [bruun-rasmussen.dk](#).
- 7.1.3 Full VAT: Certain items are sold at auction in accordance with the current rules regarding full VAT. In such a situation, a VAT of 25% is imposed on both the hammer price and the buyer's premium. These items are marked in the catalogue and on [bruun-rasmussen.dk](#) with the symbol ***, or with the text: "This item is subject to full VAT".
- 7.1.4 Artist's Resale Right: In accordance with Danish copyright law, a royalty fee covering the Artist's Resale Right has to be charged for works by newer Danish artists, and some foreign artists, who are either alive or have not been dead for more than 70 years. The royalty fee covering the Artist's Resale Right is charged on behalf of VISDA (Visual Rights Denmark). These works are marked "ARR" in the printed catalogue, and on [bruun-rasmussen.dk](#) the description of the works includes the text: "This lot is subject to the Artist's Resale Right". The royalty fee covering the Artist's Resale Right is added to the hammer price + the buyer's premium (excluding VAT) if the amount exceeds EUR 300, as indicated below:

Hammer price + buyer's premium (ex. VAT)	Payment Rate
300,01 - 50,000 euro	5%
50,000,01 - 200,000 euro	3%
200,000,01 - 350,000 euro	1%
350,000,01 - 500,000 euro	0.5%
over 500,000 euro	0.25%

The royalty fee covering the Artist's Resale Right cannot exceed EUR 12,500 (excluding VAT) for each item. The fee must be paid in Danish kroner, and the conversion rate (EUR/DKK) is set by VISDA.

- 7.1.5 Debit/Credit Card Fee: Amounts Added to the Hammer Price: BRK reserves the right to charge the debit/credit card fees imposed by the payment services companies. The rates will appear when bidding on [bruun-rasmussen.dk](#) and at payment.

8 PAYMENT DEADLINE

- 8.1 The purchase price falls due after the hammer price has been determined, and then the buyer has eight days to pay BRK the purchase price.

9 PAYMENT METHODS

- 9.1 The payment can be made in the following ways:
- A: With debit/credit card (Visa, MasterCard, Maestro, Diners Club, China UnionPay and JCB) or cash (up to DKK 19.999) in the saleroom or subsequently at one of

BRK's locations. Please note that we do not accept EUR 500 banknotes.

- B: With debit/credit card (Dankort, Visa, MasterCard, Diners Club and JCB) via BRK's website on the buyer's personal page.
- C: By bank transfer into BRK's account with Danske Bank: 4183 4310970638 · Swift/BIC: DABADKKK · IBAN: DK4130004310970638.

10 VAT EXEMPTION, PAYMENT & DEPOSIT

- 10.1 Some buyers can choose which type of VAT should apply to the transaction. The choice has to be communicated to BRK no later than two working days after the purchase and cannot be changed subsequently.
- A: Businesses in Denmark registered for VAT can decide that the transaction is to be conducted in accordance with the rules for full VAT, see paragraph 7.1.3.
- B: Businesses registered for VAT in another EU Member State can be exempted from paying Danish VAT if it can be proved that the item has been transported to the foreign address that the buyer has registered with BRK and which is written on the invoice. In such cases, the VAT should be settled according to the rules applicable in the country where the buyer is registered for VAT. It is advisable to consult with the local authorities. The buyer can decide not to be exempt from regular VAT and instead pay Danish VAT on second-hand goods/full VAT.
- C: Buyers residing outside the EU can be exempted from Danish VAT if it can be proved that the item has been transported out of the EU. To the extent possible and for a fee, BRK can issue the necessary export documents for the customs authorities. The buyer may decide not to be exempt from regular VAT and instead pay Danish VAT on second-hand goods/full VAT.
- 10.2 Companies registered for VAT in another EU Member State and buyers residing outside the EU must deposit the Danish VAT on the amount invoiced with BRK until the export process has been completed in a documented, lawful fashion. If the export is undertaken by one of BRK's authorized forwarding agents, the VAT does not have to be deposited. See the list of authorized forwarding agents on [bruun-rasmussen.dk](#).

11 OVERDUE PAYMENTS

- 11.1 If payment is made after a deadline, including the deadline specified in paragraph 8, interest on overdue payments will be charged and estimated in accordance with the Danish Central Bank's official lending rate + 8% per year on the amount due.
- 11.2 If the purchase price, including interest, has still not been paid ten days after the demand for payment has been made, BRK is entitled to seek the purchase price paid by making a set-off against the deposit/by drawing on the bank guarantee or to cancel the purchase.
- 11.3 If the purchase is cancelled, BRK is entitled to sell the item at a new auction and demand the costs and any difference between the new and the earlier hammer price (including the buyer's premium) covered by the defaulting buyer.
- 11.4 In addition to debt collection, BRK may seek recovery of all due claims (including costs) not paid in a timely manner in the following ways:
- A: Making the buyer cover the costs of selling items consigned to auction by or on behalf of the buyer. The sale can be conducted without regard to an agreed reserve price. Items consigned for auction cannot be collected as long as overdue debts are unpaid.
- B: Seizing the buyer's remaining balance with BRK, including the balance from the sale of items consigned by or on behalf of the buyer, regardless of whether such receivables derive from auction sales prior to or after the date of the buyer's default on the payment.

12 PICK-UP & COLLECTION

- 12.1 The title to a purchased item passes to the buyer when the full purchase price, including any interest and fees, has been paid, and only then can the collection of an item take place.
- 12.2 In connection with the collection of a purchased item, BRK reserves the right to demand satisfactory documentation that the person who wants to pick up the item is either the buyer himself/herself or authorized by the buyer to receive the item on his/her behalf.
- 12.3 The collection of certain weapons requires presentation of a valid weapons certificate. Items with such requirements are listed with the text: "The purchase of this item requires the presentation of a valid weapons certificate" in the catalogue and on [bruun-rasmussen.dk](#).
- 12.4 Purchased items are stored after the auction at the buyer's expense and risk. Pick-up must take place no later than eight working days after the last auction day.
- 12.5 If the item(s) is/are not picked up on time, the purchased items will be transported to a warehouse at the buyer's risk and expense. The transport costs are DKK 150 including VAT per item and the storage costs are DKK 150 including VAT per item for each week or part of a week. If an item is left unclaimed for an amount of time that results in the storage costs exceeding the value of the item, BRK will be entitled to, at the buyer's expense and risk and without regard to the reserve price, sell the item at an auction or privately. The buyer is still liable for the costs of transportation and storage not covered by such sale.
- 12.6 In accordance with current anti-money laundering laws, the buyer must in certain cases submit personal information and present a photo ID to BRK before the buyer can have the purchased item placed in his possession.

13 SHIPPING

- 13.1 If the buyer is unable to pick up the purchased item, BRK offers to pack and arrange delivery either by mail or by freight forwarder at the buyer's risk and expense. See paragraph 12.2 regarding identification.

14 EXPORT LICENSE

- 14.1 To ensure that Danish cultural heritage of vital importance remains in Denmark, the Danish Cultural Assets Commission can place an export ban on certain items. If the buyer wishes to export an item that is subject to an export ban in Denmark, the purchase will be cancelled and the Danish Cultural Assets Commission is obliged to acquire ownership of the item for the price obtained at auction. The buyer cannot raise any claims against BRK as a result of an export ban.
- 14.2 Certain items are included in the Washington Convention, also known as CITES. The purpose of CITES is to stop the trade of items made with endangered species and flora. If the item is included in the Washington Convention, CITES, Appendix 1, this will appear in the description of the item on [bruun-rasmussen.dk](#) and be marked with the symbol "C" in the catalogue. The following rules are applicable:
- A: Items that are included in the Washington Convention, CITES, Appendix 1, can only be traded when a dispensation in the form of a CITES certificate has been obtained. BRK obtains the required certificate from the Danish Nature Agency that allows trade and export to countries within the EU. Items that were produced before 1947 can, however, be freely traded within the EU without a certificate.
- B: It is only items included in the Washington Convention, CITES, Appendix 1 that are marked individually on [bruun-rasmussen.dk](#) and in our catalogue. Items included in the Washington Convention, CITES, Appendix 2, which can be freely sold and transported within the EU, are not individually marked.
- C: Export to countries outside the EU must, regardless of the year of the item's production, always procure a CITES re-export permit from the Danish Nature Agency if the item is included in the Washington Convention, Appendix 1 and 2. This export permit can usually be

obtained without problems, if the item is either sold with a CITES certificate or was made prior to 1947. Appendix 2 items usually also receive a re-export permit without problems. Any fees charged by the Danish authorities in connection with the issuance of a re-export permit will be added to the buyer's invoice. D: In connection with export to other countries outside the EU, special rules may apply concerning the subsequent import, and the buyer is encouraged to consult the relevant local authorities about this issue.

15 DEFECTS IN THE PURCHASED ITEMS

- 15.1 The lack of conformity rules of the Danish Sale of Goods Act may apply. Below is a non-exhaustive excerpt of the buyer's remedies in regard to lack of conformity.
- 15.2 The buyer is entitled to cancel a purchase if the description contained significant errors that have led to a higher hammer price than a correct description would have resulted in. In such cases, the total purchase price will be refunded. The buyer cannot demand payment of interest on the purchase price or demand payment of any other expenses or losses.
- 15.3 A purchase cannot be cancelled and the buyer cannot demand a refund of the purchase price or raise any other claims against BRK if the description of the item is in compliance with paragraph 15.2. The same applies if evidence of forgery has required the use of scientific methods that were either not available at the time of sale, were excessively costly to use or led to the damage of the item in question.
- 15.4 Claims for a cancellation of a purchase must be notified to BRK when the buyer has discovered the fact that entitles the buyer to cancel the purchase. This notice, however, has to be given no later than two years after the final pick-up date according to paragraph 12.4. The item purchased must be returned to BRK in the same condition as it was on the day it was sold at auction. If these conditions are not met, the buyer loses the right to cancel the purchase and cannot claim a refund of the purchase price. The buyer is responsible for paying the costs associated with the return of the item.

16 OBJECTIONS & LIMITATIONS OF LIABILITY

- 16.1 BRK is aware that errors, technical difficulties and external abuse or disruptive influences may occur during the auction. Bidders cannot raise any claims against BRK as a result of such events.
- 16.2 The buyer is always responsible for the correct payment of VAT and other costs, fees etc. in accordance with Danish and foreign regulations.
- 16.3 Unless otherwise stated in these conditions of purchase, BRK may never be held liable for bidders'/buyers' operating loss, loss of profits, other indirect losses or consequential loss.

17 PRIVACY POLICY

- 17.1 It is important to BRK to ensure confidentiality and security regarding the bidder's/buyer's personal information. The privacy policy can be found on [bruun-rasmussen.dk](#).

18 COMPLAINTS, DISPUTE RESOLUTION AND APPLICABLE LAW

- 18.1 BRK can always be contacted if the bidder/buyer has a complaint.
- 18.2 If the dispute cannot be resolved, the consumer can submit a complaint to the Complaint Resolution Centre, Nævnenes Hus, Toldboden 2, 8800 Viborg, Denmark, email: nævneneshus.dk. Consumers residing in another EU country than Denmark can submit their complaint to the European Commission's Online Dispute Resolution platform via the website: <http://ec.europa.eu/odr>.
- 18.3 In Denmark, disputes must be brought before the City Court of Copenhagen, but see paragraphs 18.2. The mandatory rules on jurisdiction apply to consumer interests.
